The second half of the winter term of Cheshire township. But notwithstandthe Gallia Academy opened last Mon- ing this Mrs. Boatman is considerably day with an increased number of students. As several left at that time to engage in teaching, the number remains B. Smith, the owner, to improve the acabout the same. The good work being commodations around his newly discovdone by the teachers and students be- ered mineral springs, on the Eakin farm, speaks for it a continued success.

Mr. J. A. Simmons, one of the owners of the Eagle Furnace preperty, has just returned from New York, where he has made very satisfactory arrangements with Eastern capitalists for putting the Furnace into blast. It is the intention of the company to put the Furnace into complete repair, and increase its present capacity. During the palmy days of the Iron interest the iron made by Ragle Furnace, both hot and cold blast. was much sought after by dealers and consumers of pig iron, it being of a very superior quality.

This is an important boom to the bus iness interests of this section. It will furnish employment to a large number

Mr. Simmons is one of your active. practical and wide-awake business men, and we are sure he will win, as he richly deserves, success. A few more gentlemen here, like him, would make things lively sure.

Mr. C. A. Carl is one of our promi-inent dealers in Coal. The coal comes and smooth and saves a big per cent. in from the Cheshire banks, and is of good the amount of lumber obtained from a braces some exquisite music, both quality. We have tried it and know log. It will be in operation this month, yocal and instrumental, by some of sereof we affirm. His boats may be found at the lower end of the wharf, her father, Mr. J. J. Blagg for some near the ferry landing. Orders will be time, has returned to her home at fronpromptly filled. Give him a call.
